

The monthly meeting of EAA Chapter 1134 was held November 6, 2016, at the Stafford Kansas airport (3TA), hosted jointly by Dotys and Brensings. 10 airplanes making the trip, with 25 members and wives. After the lunch, the meeting was brought to order by presiding President, Gary Doty.

There were no prior month's minutes, and there was no Treasurer's report.

Election of Officers were conducted, and the end results are as follows:

President	Brad Brensing
Vice President	Rich Thorne
Treasurer	Steven Dyer
Secretary	Richard Schenk

Brad Brensing planned a flour bomb event, and participants were given two flour bombs to drop, attempting to hit closest to the target. Winners of the competition were Chris Pinkston and Craig Robl, flying in Bud's Decathlon. The winners were awarded their dues paid for next year.

Brad and Emily are expecting their first child, so the Gender Reveal event was the dropping of a flour bomb of either blue or pink. As the Cub departed with pilot Brad, along with Grandpa Robert Murphy, everyone gathered on the field to witness the drop. As the Cub clawed its way South against the stiff 13 knot wind, the window down, and the bomb floating to terra-firma, Grandparents Steve and Tammy Brensing watched with excitement to see the puff of "blue" spray itself across the green grass. Congratulations to all the Brensing's.

The meeting scheduled for December will be the Christmas Party, being held at Centerline Aviation maintenance hangar, December 9<sup>th</sup>. Social hour begins at 6:00 PM, followed by dinner and gift exchange.

With no further business, the motion given by Chris Pinkston followed with the second of Gary Trimpe to adjourn was approved.

Rick Schenk  
Secretary
